Introduction

The theme of this year's Summer Conference is "**God is the wall of fire and the glory within**", and its keynote speakers are Brother Newman Sze and Brother Ernest Waldvogel.

From a heavenly perspective, Prophet Zechariah talked about the importance of Returned People and restoration of God's testimony. Because enemies endeavored to stop the rebuilding of Jerusalem, God's returned people encountered many afflictions and difficulties. It appeared that those Returned People were living in a wall-less town without any protection. Yet, God reassured them by saying: "I will be a wall of fire around it, and I will be its glory within." God regards His children as precious as the apple of His eyes. Therefore, God will protect them and reveal His glory on them.

Dear brothers and sisters, we are living in the end days when God's spirit actively prompts His faithful followers to participate in the marching of remnant. God is urging His people to return to the spiritual Jerusalem, rebuilding the altar, re-establishing the temple and restoring His testimony.

For God's calling to be heard and will to be done, we would like to ask you to earnestly pray for the conference as well as the blessings of God's people. May the living Lord appear to us all so that we can all hear the voice of the Son of God and be built upon the rock of His Word.

Praise the Lord for giving us this beautiful venue; we know that He will also provide some special grace for us. Let us pray ceaselessly and wait for His blessings.

In the end days, we can hear the footsteps of our Lord which are getting closer. May He manifest Himself among us in this conference, and may all saints hear His voice. We sincerely pray that the Holy Spirit reveals the Lord to us and builds us up on the rock of His words.

MESSAGE I

THE GLORY WITHIN CALLS US TO HOLINESS

Bible Verses: I Peter 1:13-20

We are called to be holy in all we do. What does it mean to be holy?

What does life style have to do with living a holy life?

Where does our life style come from?

We have been redeemed from an empty life style to live a purposeful, holy life.

We have been called to this by a Holy God. It's His idea.

There are three ways that we can develop this Holy life that we have been called to.

- 1) Prepare you mind for action
- 2) Be self controlled
- 3) Set your hope fully on the goal

MESSAGE I I

THE SPIRIT WITHIN ENABLES US TO LIVE A HOLY LIFE

Bible Verses: Ephesians 5:15-23

The difficulty to living a holy life is the flesh. How do we deal with that old nature?

The problem of filling up with the intoxications of this life.

The need to be filled with the Spirit.

What we are filled with is seen in our life style. It shows up in our walk, in our talk, and in the way we think.

To let the glory of God fill our temples is an imperative, it needs to be up to date, and we need the desire and will to yield ourselves to His glory.
